

Commercial Facility

Camp Wigwam

Waterford, ME

Profile

- 100-year old summer camp for boys
- Located along the White Mountains and situated on Bear Lake
- Camper cabins without integrated bathrooms

Challenge

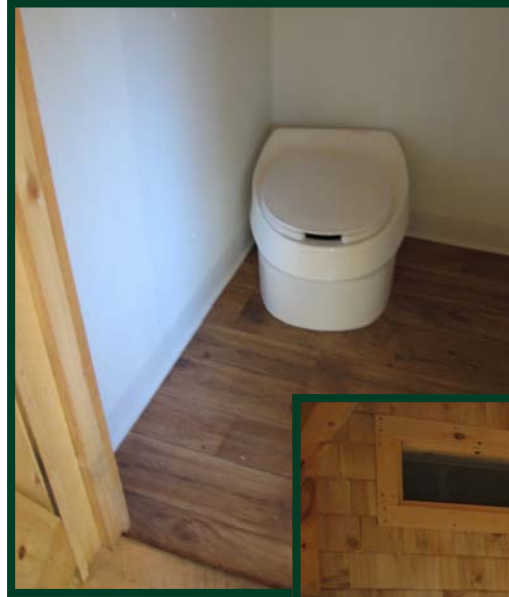

- Incorporate new centralized bathroom facilities within the camp's existing layout
- Reduce site disturbance by minimizing size of soil absorption system
- Conserve freshwater and reduce wastewater

Solution

- Installed Clivus composter with waterless toilets
- Eliminated wastewater from flushing toilets
- Discharged high quality effluent to reduced sized soil absorption system
- Minimized site disturbance and preserved natural landscape
